

Great Commission Survey

Hi. We're from a non-profit organization called Soldiers of the Cross. In this survey, we want to find out from Christians all over Australia how many are fulfilling the Great Commission, how they are doing it, how regularly and what their walk with God is like.

Current statistics from USA state that only 2% of those professing to be Christians regularly share their faith. We would like to find out how the church in Australia fares when put under the same microscope.

Survey Results may be viewed at www.soldierofthecross.com.au/survey.html. Would you honor us by giving a few minutes of your time?
